# Welcome to Backroom Brewery Where your love story takes root in the Shenandoah Valley.

On ten acres of Virginia farmland, warm timber, mountain air, and genuine hospitality create a wedding setting that feels both beautiful and deeply personal.

We welcome couples to a two-level, 10,000-square-foot barn made for gathering – with glowing string lights, flexible indoor and outdoor spaces, and award-winning craft beer poured just steps from the celebration.

From the quiet anticipation of getting ready to the last dance beneath the rafters, your day can unfold in one place. Bring your people, your traditions, and your vision. We will bring the Valley warmth, the farm-grown character, and a space ready to become entirely yours.

# *Our* SPACES

## *The First Look*

Let the day begin with a quiet walk through the gardens, a first look beneath the open sky, and portraits in the warm Valley light. With 10+ acres of green space surrounding the barn, every couple can find a private corner for the moments that deserve room to breathe – all without leaving the farm.

## *Gather & Toast*

Raise a glass brewed on the farm, welcome your guests beneath exposed beams, and settle into a celebration that feels gracious without feeling formal. From cocktail hour to dinner to dancing, the Big Barn gives every part of your evening a natural home.

## *Garden Ceremony*

Exchange vows at the 18 x 18 gazebo, with chapel seating for 150+ and open fields and mountains beyond. Prefer an indoor ceremony? The timber-framed barn keeps the rain plan simple. Whether your vision is sunlit and natural or candlelit and intimate, the setting stays grounded in the Shenandoah landscape.

# *The Big Barn*

Our two-level, 10,000-square-foot timber-frame barn is the heart of the celebration, welcoming up to 250 guests indoors – and 500+ when the grounds are included. Soaring trusses, warm wood, string lights, a sweeping staircase, and year-round climate control create a refined, flexible setting for dinner, dancing, and every beautiful moment between.

## *Ceremony to Celebration*

Keep every chapter of the day close. Say "I do" at the gazebo or inside the barn, gather for drinks across the 900-square-foot upper patio or 2,700-square-foot lower patio, then move into dinner and dancing without asking guests to travel. The flow feels relaxed, romantic, and entirely focused on being together.

# *The Grounds & Golden Hour*

More than 7 acres of gardens and green space give you room to wander, breathe, and make the celebration your own. Take portraits among the fields, gather on the patio at sunset, or let guests enjoy the farm between festivities. The Massanutten landscape and warm Valley light bring a quiet romance to every photograph.

Farm-grown character meets thoughtful convenience: free on-site parking, flexible indoor-outdoor spaces, climate control, a serving kitchen, and a walk-in cooler keep the day beautiful behind the scenes as well as in front of the camera.
